

WATCHDOG 550

The Watchdog 550 is the smallest crawl space dehumidifier offered by Seaira Global. Although small in size, the 550 is powerful enough to maintain the humidity level in a space up to 10,000 cubic feet. It also includes convenient features such as a digital display, and auto restart. The 550 is compatible with optional accessories including wired remote control, and Wi-Fi remote sensor.
